

## Consumer Credit Reports Available on your NACM Nashville dashboard

Use our resources to learn more about the people behind the small to medium-sized businesses before you extend credit.

For those companies that you would like to work with, but their business credit files are a little too sparse or are very new, you may need to pull a consumer credit report on the principal of the business. In many of these companies, a report on the owner is a report on the business.

**When dealing with your credit, you want professionalism and experience.**

CIC Credit has been a leader in financial products and credit reporting since 1921. Our staff has over 150 years in credit and background screening ensuring compliance, accuracy, and quick turnaround times.

**CIC Credit brings years of reliable experience to you.**

**Merge Technology** uses sophisticated algorithms to produce an accurate combination of credit data from all three credit repositories (**Experian, Equifax and TransUnion**).

**Security & Compliance** tools verify the identity of the consumer(s) and can perform checks for fraud and compliance. CIC Credit oversees all aspects of compliance.
