

# **INSIGHT<sup>3</sup> REPORT**

TRIPLE THE INFORMATION. STILL ONE INFORMATIVE REPORT.

The Insight<sup>3</sup> Report is an embellished version of the Insight <sup>2</sup>Report that includes data elements from the NTCR, Experian and Equifax. The addition of the data provided from Equifax offers an even more complete and informative report to utilize as a resource for making effective credit decisions.

#### WHAT'S NEW IN THE REPORT

## **BUSINESS FALIURE SCORE**

The Equifax Business Failure Score depicts the likelihood of a company ceasing business within the next 12 months. The score provides additional useful information that can be utilized to make well informed decisions.

#### ■■● OPEN & CLOSED FINANCIAL DATA

The updated Financial Summary provided by Equifax depicts open and closed financial accounts with valuable information to help guide decisions about current status, charge off, and exposure risk.

## DETAILED FINANCIAL INFORMATION

Additional detailed Financial Summary information is included in the Additional Trade Experiences portion of the report. This section depicts a more detailed view of current open and closed financial accounts.
