

CONTRIBUTE YOUR A/R DATA ELECTRONICALLY

THE BENEFITS OF ONLINE A/R DATA CONTRIBUTION

REWARDS GOOD CUSTOMERS, SUPPORTS THE CREDIT COMMUNITY AND U.S. COMMERCE

Reward your good paying customers and give an incentive to your slower paying customers to pay you more promptly.

SAVES YOUR STAFF TIME AND YOUR COMPANY MONEY

Industry Credit Groups - After an initial time investment of approximately one hour, you will never have to manually submit data to NACM Nashville, with the exception of Request for Names and Alert Information.

REDUCES YOUR COMPANY'S DSO

Creditors are more likely to pay promptly if they know their trade experiences are being reported.

PORTFOLIO SCORING FREE TO TRADE DATA CONTRIBUTORS

The Portfolio Risk Analysis tool - will segment and identify high risk accounts within your customer base for review. Additionally, your customers risk and exposure will be benchmarked in comparison to their industry.

EARNs YOU DISCOUNTS ON CREDIT REPORTS

A/R data contributors receive a substantial discount on NACM Nashville credit reporting contracts.

CONTRIBUTES TO THE STRENGTH OF YOUR GROUP AND INDUSTRY

Data contributors have privileged access to use NACM Nashville web-based [Credit Reference](#), [Service Portfolio Scoring](#) and [Account Monitor Services](#).

COSTS YOUR COMPANY \$0

Reporting data is easy, confidential, safe, secure and requires no charge -- A great way to support NACM Nashville.

BIG PICTURE VIEW

Add to the overall picture of a firm's financial health, impact the company's credit score and allow report users to make better informed credit decisions.

SAFE AND SECURE

For stronger security measures, files can be submitted via sFTP. Contact us for other methods to submit data. Your organization will have the ability to be identified or report anonymously. Data is never shared outside the NACM database to 3rd parties.
